FIRST ANNUAL 100 INNING BASEBALL GAME

Dear Neighbor:

On Saturday, February 6th, 2010 the CSRA Crusaders baseball team will play intersquad teams in the first annual homeschool marathon baseball game. Our team member is asking you to consider pledging for each of the 100 innings we will be playing at Masters City baseball complex on Phinizy Road.

As you may know, CSRA Crusaders Baseball and homeschool baseball in general is a great success story. We now have athletes that have been able to obtain scholarships to colleges and universities across the United States.

Part of the Crusaders winning tradition has been the result of ambitious preparation which includes professional coaching. This year we will be extending dedicated coaching on down through the middle school level. Our program is funded entirely by our parents, our athletes and sponsors like yourself.

We are depending on this fundraiser as our season begins to help defer coaching fees and field maintenance costs.

Our baseball athletes are seeking your support. Their participation in this endurance test will require tremendous effort, but they are conditioned young people eager to meet the challenge.

Baseball and academics are important pursuits for them at this time in their lives. Please consider joining us in this major project.

Sincerely,

Jeff Parrack
CSRA Crusaders
