

CSRA Crusaders Baseball

CSRA Crusaders Baseball, 441 Sugar Creek Drive, Grovetown, Ga. 30813

The CSRA Crusaders is an association of parents and young baseball players, created to develop Varsity, Jr. Varsity and middle school baseball teams for homeschool and private school students through-out the Central Savannah River Area. These team members would not otherwise have access to organized team sports on a school level. The baseball team provides these students with an environment that promotes teamwork, sportsmanship, instruction and the enjoyment of the baseball experience. In the past years, our team has had one young man appointed to the naval academy, six baseball scholarships, and many future prospects.

As part of our annual fundraising, we are looking for those to help support our organization. The monies raised by sponsorship go directly to offset costs associated with the baseball program. These costs include equipment, umpires, uniforms, field maintenance, insurance, facilities and training as well as other associated expenses. Every dollar raised from sponsors will help reduce the cost to individual players.

On behalf of the CSRA Crusaders Baseball Program we offer our appreciation in advance for your consideration of this opportunity to help our teams.
