

CSRA Crusaders Baseball

CSRA Crusaders Inc., 1660 Sylvan Grove Rd, Stapleton, GA 30823

Dear Potential Sponsor,

The CSRA Crusaders is an association of parents and young baseball players, created to develop Varsity and Jr. Varsity baseball teams for home school and private school children through out the Central Savannah River Area. These team members would not otherwise have access to organized team sports on a high school level. The baseball team provides these students with an environment that promotes teamwork, sportsmanship, instruction and the enjoyment of the baseball experience. In the past three years, our team has had one young man appointed to the naval academy, three others earning baseball scholarships, and many future prospects.

As part of our annual fundraising, we are looking for those to help support our organization. The monies raised by sponsorship go directly to offset costs associated with the baseball program. These costs include equipment, umpires, uniforms, field rental, insurance, facilities and training as well as other associated expenses. Every dollar raised from sponsors will help reduce the cost to individual players, cost that are projected to be anywhere from \$900 to \$1200 per player at the Varsity level.

On behalf of the CSRA Crusaders Baseball Program we offer our appreciation in advance for your consideration of this opportunity to help our teams.

Name: _____

Address: _____

Would you like your name included on our website? Yes____ No____

Is there a certain player you would like to sponsor? Yes____ No____

His name: _____

Business Name (included on our website): _____
